range that embellishes any architectural space, with the charm of tradition and the ability to adapt to the most modern living concepts. The particular surface workings of the NATURE line when used create exclusive finishes that embellish each project giving it a strong emotional impact.

Processing

AGING

gives the wood the warmth of a pleasant lived-in effect

COLORING

marries the naturalness of wood with water-based, solvent-free colors

BRUSHING

it leaves the typical veins of the beams and boards in relief

SANDING

enhances the vein of the wood with a smooth and bright appearance

Exclusive decorative finishes created to amaze

SOLE

The aged, brushed, and colored surface

The aging treatment highlights the hardest parts of the wood. Material and warm, it is ideal for recreating the personality of renovated country houses and cottages. The warm atmosphere of Sole is our proposal in a modern key style that reinterprets our architectural culture.

Versatility is the keyword of Antares: modern when combined with laminated wood, ancient when accompanied by hand-beveled solid wood beams. The best answer for every design need. A mix of light and dark shades for a timeless wood updated according to the latest trends.

The aged, brushed, colored, and polished surface

ANTARES

All the best of nature in this light-dark effect finish. Strips in various trendy shades set in fir plank or birch panels customizable in many finishes and colors. Atlas allows you to create textured finishes that create dynamism and they personalize extremely contemporary interior designs. The material becomes the protagonist, shapes and covers the environments, and through various combinations of colors creates unique surfaces and exclusive settings.
